

Dear Valued Patients,

We hope this letter finds you well. We have exciting news to share about the future of Family Vision Center of Tacoma. Your trust and support have been invaluable to us, and we are grateful for your loyalty over the years.

After many years of dedicated service, Dr. Nathan Gorham, our esteemed colleague, will be transitioning away from private practice. We're pleased to inform you that Dr. Gorham will still be available one to two days a week to contribute his expertise and care.

As we bid farewell to Dr. Gorham, we're excited to introduce you to our dynamic husband and wife team: Dr. Kevin Chuang and Dr. Connie Lee. They fell in love with the beautiful outdoors of the Pacific Northwest, and are excited to raise their two children in the local community. They bring their dedication and passion to continue the high standard of care you expect from us.

Dr. Chuang comes to us with a wealth of experience having received his Fellowship in the American Academy of Optometry and achieving Board Certification in Medical Optometry. He is skilled in all aspects of optometry, having practiced at Franciscan Eye Care Associates of St Joseph Medical Center for 8 years and 2 years at VA hospitals, making him a valuable addition to our team. Dr. Chuang's dedication to staying at the forefront of advancements in eye care will undoubtedly benefit all of our patients.

Dr. Lee has been practicing full scope optometry for over 10 years. Her specialization in pediatrics, contact lenses, vision therapy, and neuro-rehabilitation speaks to her dedication to enhancing lives, especially among children and families. Dr. Lee's achievements, including Fellowships in the American Academy of Optometry and the College of Vision and Development, truly set her apart in her field and will open new avenues for our practice.

Together, Dr. Chuang and Dr. Lee share our vision of personalized, comprehensive eye care that prioritizes your well-being and visual health. They are eager to continue Dr. Gorham's legacy of excellence and enhance your eye care experience.

We're excited to serve the Proctor District and Tacoma community with this transition. Our commitment to you remains unwavering, and we're confident that this change will be seamless and positive. Join us in the coming weeks for events to introduce you to our new team. These events will provide an opportunity to ask questions, get to know them better, and explore our updated facilities.

Your trust as our valued patients means the world to us. We look forward to continuing this journey together. Thank you for being part of the Family Vision Center of Tacoma family.

Warm regards,

Dr. Nathan Gorham
